

Heavy Duty Mechanical Timer

THE TIME & TEMPERATURE COMPANY®

Counts 1 hour by minutes

Features

- Counts down
- Long 3-second alarm

Note: In the following instructions, names of the control buttons are shown in CAPS. Function information that appears on the display is shown in **BOLD CAPS**.

Operating Instructions

Note: The further the knob is turned clockwise, the longer the alarm will sound when it reaches **0**.

Turn knob clockwise to 50 and then back to the desired time.

Care of Your Product

- Avoid exposing your timer to extreme temperatures, water or severe shock.
- Avoid contact with any corrosive materials such as perfume, alcohol or cleaning agents.
- Wipe clean with a damp cloth.

The information in this document has been reviewed and is believed to be accurate. However, neither the manufacturer nor its affiliates assume any responsibility for inaccuracies, errors or omissions that may be contained herein. In no event will the manufacturer or its affiliates be liable for direct, indirect, special, incidental or consequential damages arisen by using this product or resulting from any defect/omission in this document, even if advised of the possibility of such damages. The manufacturer and its affiliates reserve the right to make improvements or changes to this document and the products and services described at any time, without notice or obligation.
